Antisemitism Incident Analyst

Full time, based in London

As an antisemitic incident analyst, your primary focus will be to monitor and analyse materials from a wide range of sources in relation to antisemitic hate crimes and incidents. You will respond quickly to information requests from clients internally and externally.

Duties include:

- Working effectively and collaboratively with colleagues in the Communications Department and the Incidents Team
- Assist with the Incident Departments with their incoming incidents
- To ensure that all interaction with victims is managed in a sensitive manner and to ensure that confidentiality is respected at all times
- Responsible for CST's Annual and Six-Monthly incidents reports, and monthly incidents bulletin
- Accountable for ensuring that all the analysis has been captured, is current and up to date.
- Accountable for dealing directly with antisemitic incident victims to help them access the appropriate support
- Responsible for liaising with Police and other agencies on their behalf
- Present CST's antisemitic incident data and analysis to external audiences

The ideal candidate should have:

- Strong analytical skills
- Exceptional problem-solving skills
- Excellent communication skills with a natural ability for presenting
- Superb organiser with a professional and mature manner
- Pro-active and results driven
- Personable and empathetic when speaking to victims of antisemitism
- Knowledge of the Jewish Community and an understanding of hate crime

Applicants are invited to submit their CV together with covering letter to careers@cst.org.uk, writing Antisemitism Incident Analyst in the subject heading.

Closing date for applications: **13 April 2018** but may close earlier if a suitable candidate is found.
