

Careers

Are you a school leaver or recent university graduate?

Would you like to be part of an amazing team whilst earning a competitive salary with great incentives?

If the answers are yes, then CST has launched a brand new National Control Room opportunity just for you!

This is what you will experience:

- Training to introduce you to security, threats and the work of CST.
- Working with cutting edge and innovative technology.
- Shift work within the new National Security Control Room at the heart of CST.
- A fully-paid for qualification to work within a CCTV environment (SIA certification).
- Access to CSTs fitness suite and physical training programmes.

The job will include:

- Monitoring CCTV across multiple sites within established processes.
- Determining the appropriate response/escalation to incidents.
- Liaising with staff to co-ordinate the appropriate emergency response when required.
- Monitoring and responding to location radio traffic.
- Performing first level triage on incoming incidents.

We are looking for people who have:

- Ability to provide intelligent balanced solutions to complex problems.
- Proven track record of being a strong team player.
- Excellent communications skills.
- Ability to remain calm and focused under stress and pressure.
- Willingness to work shifts.

If you would like to take part in this exciting new opportunity, please email careers@cst.org.uk with the subject National Control Room, including a CV, a cover letter and a written statement of 250 words exploring the importance of security for the Jewish community in today's world.

Closing date for applications: 30 June 2017.
