## **Protecting our communities**

**The Community Security Trust is the Jewish charity that delivers security for the UK Jewish community's 650 communal buildings and 1,000 events each year.**

**Over the decades CST has built a substantial body of security knowledge, which it shares for free with other communities vulnerable to violence, extremism or hate crime.**

## **Our advice is always free**

**CST's SAFE programme delivers free talks, webinars and training materials on the safety and security of community premises, places of worship and community members.**

**Topics covered include;  
An Introduction To  
Community Security,  
Hate Crime, Online  
Security, Women's  
Safety and much more.**
